Instruction for remote control

1	ON/OFF switch button for lighting
2	ON/OFF switch button for mood lighting
3	RGB static color switching
4	RGB dynamic color switching
5	15 minutes timer
6	1 hour timer
7	30 minutes timer
8	3000K
9	4500K
10	6000K
11	Brightness adjustment
12	CCT adjustment

Application scenes: widely applied in living room, corner, home office, bedroom lighting etc.

Parameters

Model	LD-02
Materials&finish	ABS+PC+Iron txturing+abrasive blasting
Dimension	680*210*1500mm
Light colors	RGB2835
Working voltage	DC 12V
Rated power	9W
Color temperture(CCT)	3000-6000K
CRI	≥80
Installation	3 segments splicing
Remote control distance	5-10m²
Lumens	420LM
Lighting area	0-5m

Packing list

◎ Lamp head × 1
◎ Light pole × 3
◎ Remote control × 1
◎ User manual × 1
◎ Power adapter × 1

Packing info.

◎ Color Box size：440x240x80mm
◎ Carton size：460X340X265mm
◎ Qty/ctn：4PCS
◎ G.W/ctn：14.5KG
